

defEYE™ productions

product specifications

defEYE™ FRAME | custom fabricated, archival, two-sided, easy-to-open framing system with acid-free, .080 Plexiglas Perfection UF5® ultraviolet-light-filtering folded acrylic outer glazing, in dimensions 24 by 19 by 5/8 inches, plus polished, injection-molded, acid-free, recyclable (#7), optical polycarbonate inside assembly and nylon closure pin, with brass-plated courtesy hook.

defEYE™ PRINT | fine art limited edition hand signed and numbered archival giclée print using ultrachrome pigment inkjet printing on coated, acid-free, OBA free, lignin-free, 100% cotton-rag paper, in dimensions 22 by 17 inches by 19 mils thick (300 grams per square meter). Similarly printed content has permanence ratings over 100 years under UV-filter, and over 200 years in dark storage, according to Wilhelm Imaging Research, Inc. of Grinnell, Iowa.

defEYE™ CERTIFICATE | documentation of authenticity, including terms of the limited edition, information about the artist, artwork, curator, and product, and using archival ultrachrome pigment inkjet printing on coated, acid-free, lignin-free, 100% cotton-rag paper, in dimensions 22 by 17 inches by 12 mils thick (215 grams per square meter) with acid-free coated tamper-evident polyester holographic labels with a deposition of silver metalized aluminum and UV cured permanent acrylic adhesive. Similarly printed content has permanence ratings over 100 years under UV-filter, and over 200 years in dark storage, according to Wilhelm Imaging Research, Inc.

defEYE™ ART SAVER | inflatable shipping and carrying case, in dimensions 32 by 27 by 3 inches, custom manufactured from linear, low-density, acid-free, recyclable (#4) polyethylene, with tamper-evident acetate seals.

defEYE™ PRINT FOLIO | crystal clear sleeve for holding one print (and certificate), made from archival polypropylene, in dimensions 22 by 17 inches.

defEYE™ COLLECTOR'S BOX | archival box for long-term storage of up to approximately 20 prints and certificates in folios, dark grey drop-front with metal corners, in dimensions 22 ¾ by 17 ¾ by 1 ½ inches.

defEYE™ CLEAN KIT | one pair of large cotton gloves, one pair of small cotton gloves, 2-oz Novus® plastic clean and shine, 2-oz Novus® fine scratch remover, 2-oz Novus® heavy scratch remover, two microfilament polish cloths (reusable, washable, abrasion-resistant and highly absorbent), one UVA refrigerator magnet.

defEYE™ POS SALES STAND | folded acrylic floor model with white particleboard table base, 22 by 22 by 30 inches in dimensions, or table-top model on white hardboard base, 20 by 16 by 13 inches. Holds 12 units (framed in clear wrap).

defEYE™ POS SALES RACK | powder-silver metal on wheels, two- or one-sided display with catalog basket and UVA magnets, 29 by 19 by 84 inches in dimensions. Hangs 12 units (framed in art saver); wrench and #3 Phillips to assemble.
